

SUPPORT BILOXI ATHLETICS! JOIN THE BIG RED ATHLETIC FOUNDATION TODAY

Look behind many successful high school athletic programs and most college programs, and you'll find a community and alumni supported athletic foundation that works with the Athletic Department to help build and sustain support for those programs. **Now Biloxi is among those programs.** The Big Red Athletic Foundation works with the Biloxi Public Schools Athletic Department to promote excellence in athletics and create an environment that will encourage student athletes to compete at the highest level, affording each athlete the best opportunity to earn an athletic scholarship to schools of higher education. Look for upcoming events i.e. tailgating before home games, exclusive "Coach's Corner" sessions with BHS coaches, and more. For further information, go to www.bigredfoundation.org
